Dear Sponsor

The Society of Emotional Intelligence International UK & Europe are excited to be hosting their first non-Pharmacology *Dementia Care With A Difference™* Conference.

We would love you to join us on what will be a first of its kind in non-Pharmacology, Dementia Care Management and Community Service provision here in the UK. Our 2-Day Conference is guaranteed to provide insight into dementia care management, expertise, service provision and innovative service offerings.

As a progressive organisation and, leading employer, I am inviting you to be one of the sponsors for the launch of this conference. We can offer a variety of sponsorship methods to suit your budget (see below).

We are extremely excited at the prospect of hosting this event and, look forward to speaking with you further in relation to attending, becoming a sponsor, exhibitor, or partnering with us for this event.

Kind regards,
